## Coaches and Assistant Coaches Important Meeting:

### DECEMBER 12, 2017 Tuesday at 6:30 PM

Location: St. Anthony' Memorial Center  
660 Florin Road

**NOTE: It is very important that all people interested in coaching or assistant coaching attend this meeting! FREE FINGERPRINTING SERVICES will be available this evening. Fingerprinting is required for all people interested in coaching or assisting who have not been fingerprinted through St. Anthony since Sept. 2003. Please return Coach/Assistant Coach Applications prior to this meeting so we can schedule your practice time.**

- ◆ Practices (held Monday, Wednesday, or Thursday evenings) begin the week of January 8th. One hour practices range from 5:00 pm to 9:00 pm.
- ◆ Season begins January 12th and ends February 24th. Games are played either on Friday evenings or on Saturdays.

**PARENTS PLEASE**—You must escort players to and from the gym for all practices and games. No drop-offs or pick-ups in the parking lots or at curbsides. This is a Diocesan regulation established for your child's safety. Please pull into a parking space when delivering players, and do not block driveways or park in red zones.

# ST. ANTHONY COMMUNITY YOUTH BASKETBALL

October 2017

## A Note from our Pastor And the SACYB Committee

Welcome to another season of fun and exciting St. Anthony Community Youth Basketball (SACYB). St. Anthony Parish is pleased to sponsor youth basketball. We are looking forward to an action-packed and fun year!

We thank you for your interest in SACYB. You will find our league to be unique in that we promote teamwork and good sportsmanship. Our goal is to infuse the league with positive, virtuous values in a spirit of cooperation and harmony.

Programs like SACYB could not possibly exist without the support and help of many volunteers who manage the program. We are grateful to all of the people who give of their time to help. We are especially in need of coaches and assistant coaches. We want to take this opportunity to thank all of you who have coached in the past and who will volunteer again this year. If you feel a calling to help us out as a coach or assistant coach, please submit an online Coach's Application with your player's registration **before the coaches meeting on December 12, 2017** as practice slots are assigned on a first come, first served basis.

Parents, please take the time to look over our SACYB vision, goals and gym rules with your children, and help us make this season a rewarding and positive experience.

May GOD bless you and your family!

## The SACYB Program

The vision of SACYB is to provide an outreach for youth in our community. We hope to develop Christian values and morals by playing the game of basketball in a safe and positive church environment.

Games are conducted under basketball rules along with certain SACYB rules. Teams are placed in different divisions by grade level and skill level. The goal of the program is to have each team equal in regard to ability, size, age, etc. No standings are kept. All players are assured of equal playing time with competition kept to a minimum. All participants are expected to abide by SACYB game and gym rules, along with practicing good sportsmanship at all times.

It is important for the coaches and parents to always be good examples to the children, especially during game times. We at SACYB strive to create a positive environment for everyone. In keeping with our goals, we will not tolerate any inappropriate words or actions during game time toward other players or to the referees by players, parents or coaches. While we do not expect problems, games will be terminated, if necessary.

Volunteers, who are mostly parents, former players and church members, provide all coaching and directorship of the program. All practices and games are conducted at the St. Anthony Memorial Center gym, which is  $\frac{3}{4}$  regulation size.

## Goals:

- HAVE FUN!
- Develop and improve basketball skills.
- Learn and practice good sportsmanship.
- Build teamwork skills.
- Make new friends.
